

The Board of Pensions administers the Benefits Plan of the Presbyterian Church (U.S.A.), offering retirement, healthcare, death, and disability benefits to qualifying members. The Board also provides financial and vocational grants through the Assistance Program.

Summary

Benefits Connect is the Board's benefits website, which provides eligible members and survivors with access to their personal and benefits information and online tools. It provides church treasurers and business administrators with access to information pertinent to their organizations' benefits administration responsibilities.

This secure site, which is protected by multiple firewalls, uses 128-bit encryption (HTTPS) to protect information as it is sent across the Internet. This technology protocol is often used to protect payments and other sensitive transactions in corporate information systems.

Registering for Benefits Connect is easy. Just go to the pensions.org home page and click on the Log On button next to the Benefits Connect logo. Then follow the step-by-step instructions to create a user profile. Be sure to log off when you have finished reviewing or changing your information by clicking the Log Off button in the upper right-hand corner of the screen. (When using a public computer, also clear the browser's cache.)
