

The Board of Pensions administers the Benefits Plan of the Presbyterian Church (U.S.A.), offering retirement, healthcare, death, and disability benefits to qualifying members. The Board also provides financial and vocational grants through the Assistance Program.

Summary

The Medical Plan provides vision coverage through VSP. Annual eye exams and discounts on many vision health-related items and services are included.

An identification card is not required. Members tell their provider that they are covered by VSP, under group number 30022595, and then provide the last four digits of their Social Security number.

Members are encouraged to use VSP network providers to maximize their vision benefit. VSP providers can be located by visiting vsp.com/choice or calling VSP at 800-877-7195.

Eligibility

Those enrolled in the Medical Plan, their spouses, and eligible family members have access to vision coverage through VSP. Subscribers to medical continuation coverage are also covered.

Cost

Annual Exam

There is a \$25 copay for an annual eye exam with an optometrist or ophthalmologist who participates in the VSP network. The benefit covers the remaining cost of the exam, without a deductible.

Members who use an out-of-network provider for their annual exam pay the full cost of the exam up front. Then, they must submit a VSP Member Reimbursement Form to VSP. They can be reimbursed up to \$45 after the \$25 copay is deducted.

The VSP Member Reimbursement Form is available on pensions.org, or by calling the Board of Pensions at 800-773-7752 (800-PRESPLAN) and speaking to a service representative to request one.

Other Services/Items

The vision benefit includes discounts on vision-related items and services when purchased through a VSP optometrist or ophthalmologist:

- prescription glasses
 - 20 percent discount on lenses (with purchase of a complete pair of glasses)
 - 20 percent discount on frames (with purchase of a complete pair of glasses)
 - 20 percent discount on additional glasses and sunglasses (when purchased within 12 months of annual exam by VSP doctor)
