

## Important Notices

These notices are being distributed to current members of the Benefits Plan of the Presbyterian Church (U.S.A.) and employees who are newly eligible for benefits. These notices are distributed to meet federal regulations that require you to receive official notification **when you become eligible for benefits, when regulations become effective or change, or on an annual basis.**

### Retirement Savings Plan of the Presbyterian Church (U.S.A.)

The Retirement Savings Plan of the Presbyterian Church (U.S.A.) (the "Plan") is a 403(b)(9) church retirement income account plan. As such, it is exempt from the requirements of the Employee Retirement Income Security Act of 1974, as amended, and the registration and reporting requirements of the Securities Act of 1933, the Securities Exchange Act of 1934, the Investment Company Act of 1940, and state securities laws. Participants and beneficiaries of the Plan are not afforded the protections of those laws. The Plan is administered and construed in accordance with Pennsylvania law. With the exception of the PC(USA) Socially Responsible Balanced Fund and PC(USA) U.S. Equity Fund, which are proprietary funds of the Plan administered by Fidelity Management Trust Company and subject to the social screening practices of the Presbyterian Church (U.S.A.), the Plan's investment options are registered mutual funds that are subject to applicable federal law and regulations.

#### Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 60 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact the Board of Pensions at 800-773-7752 (800-PRESPLAN).

### Newborns' and Mothers' Health Protection Act of 1996 – Statement of Rights

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### Women's Health and Cancer Rights Act

The Women's Health and Cancer Rights Act of 1998 (WHCRA) provides protections for individuals who elect breast reconstruction after a mastectomy. Under WHCRA, group health plans offering mastectomy coverage must provide coverage for certain services relating to the mastectomy, in a manner determined in consultation with the attending physician and the patient.

The required coverage includes

- all stages of reconstruction of the breast on which the mastectomy was performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance;
- prostheses; and
- treatment of physical complications of the mastectomy, including lymphedema.

These services are subject to the plan's deductible and copayment requirements. For more information, contact the Plan's claims administrator, Highmark, at 888-835-2959.

### Health Insurance Portability and Accountability Act (HIPAA)

The HIPAA Privacy Notice on [pensions.org](http://pensions.org) (see Member Benefits Notices) advises members of the Medical Plan's privacy practices and their rights under HIPAA.
