Medical Continuation

ENROLLMENT OR WAIVER

Use this form to continue medical coverage through the Board of Pensions. If you meet the rule of 70 and do not wish to elect medical continuation coverage but would like to maintain future eligibility for the Medicare Supplement Plan, you must waive coverage by completing Parts One and Three.

Part Two – Enrollment authorization

- I elect to enroll for medical continuation coverage as described in the Benefits Plan of the Presbyterian Church (U.S.A.).
- I authorize the Board of Pensions to deduct the cost of coverage from my pension benefit check. If I am not receiving a pension benefit or the payment amount does not cover the monthly cost of coverage, I agree to pay the cost of coverage and authorize the Board of Pensions to bill me monthly, in advance, for this coverage.
- I understand that I may only enroll in medical continuation at the same coverage level (PPO, EPO, HDHP) in which I was enrolled at the time of termination of coverage. I also understand that if I am continuing PPO medical coverage, my annual medical deductible and medical out-of-pocket maximum are based not on my effective salary at termination, but on a salary range determined for medical continuation for that year. I understand that if I have already satisfied these limits for the calendar year, my limits will not change. However, if I have not satisfied the medical deductible and/or the medical out-of-pocket maximum, my limit(s) may increase or decrease accordingly.
- I understand that my medical continuation coverage will not take effect until the Board of Pensions receives my initial payment.
- I understand that I may permanently terminate this coverage by sending in written notification. The termination date will be the last day of the month for the requested future termination date or the last day of the month in which the written termination request is received (no retroactive terminations are permitted).

I certify that the information on this form is complete and accurate.

- I/we understand and accept that the waiver of medical continuation coverage will be in effect for the duration of my/our medical continuation eligibility period. I/we also understand that I/we will be able to reapply for medical coverage once I/we are eligible for the Medicare Supplement Plan, provided I/we have had continuous coverage.
- I/we hereby release the Board of Pensions from any and all liability resulting from relying and acting upon the information supplied on this waiver application.
