State withholding If you do not reside in one of the states listed in the three paragraphs below, do not complete this form. Because you do not reside in a state which requires a state tax withholding, no state taxes will be withheld. Consult your personal tax professional and/or your state's tax withholding instructions for guidance to complete this form.	
• If you reside in ARKANSAS, CALIFORNIA, DELAWARE, GEORGIA, IOWA, KANSAS, MAINE, MICHIGAN, NORTH CAROLINA, OKLAHOMA, OREGON, VERMONT, or VIRGINIA, you may elect to have state income tax withheld regardless of your federal income tax election. State income tax withholding is not required by these states if federal income tax is withheld; however, you must make a clear election. Please make the appropriate election by checking one of the boxes below.	
• If you reside in MASSACHUSETTS or NEBRASKA, you must have state income taxes withheld, unless you elected to NOT have federal income tax withheld from your pension payment. If you elect to have federal income tax withheld and you do not make a state income tax election, state income tax withholding will be made based on what is required by your state of residency.	
• If you live in CONNECTICUT, do not complete the section below; you must complete the Withholding Certificate for Pension or Annuity Payments, Form CT-W4P. If you do not return the completed CT-W4P form or if the form is not properly completed, we will withhold 6.99% of your pension payment.
